The District Council invites our comments on planning proposals in the Newark Conservation area and have successfully campaigned against:

- Demolition of the Moot Hall
- Demolition of the enclosed rear section of the Butter Market
- Plans to tarmac the Market Place

As well as:

- Producing a selection of town trail leaflets for people exploring the town
- Refurbishing the town pump with a grant from the Heritage Lottery Fund

If you care about the future of your town then please consider joining us. We are a society of ordinary Newark citizens who have an abiding love for, and interest in, the history and buildings of our town. We work with local councils, planners, professional historians, builders and architects to preserve what needs preserving but also to encourage modern quality architecture.
