

Newark Civic Trust

caring about the town's environment

Newark Civic Trust is a society for people who share an interest in the history and development of the built environment of Newark and its surrounding villages.

Our aim is to safeguard the area's heritage without frustrating its future development. Thus, whilst we defend its historic buildings, we also encourage new, imaginative, high quality developments that enhance its beauty, prestige and vitality.

We take an active interest in planning issues, and the District Council invites our comments on all proposals that affect properties in the Newark Conservation Area as well as any major developments beyond that zone.

We meet once a month (except summer) on the last Thursday evening in Newark Library to enjoy talks by guest speakers.

In May and June evening outings are arranged to local places of interest.

A further benefit of membership is our excellent magazine, which is published twice a year and contains an interesting mix of news, information and comment.

In order to help safeguard important buildings from deterioration, our volunteers run a Conservation Watch and we also encourage members to participate in this area of our work.

Every year we present our own Newark Civic Trust Awards to recognise outstanding projects that enhance the quality of the local environment.

Our members come from all walks of life and are of all ages. They take an interest in their local environment and heritage and want to make sure that these are kept in good shape for future generations to enjoy.

We warmly welcome new members and encourage everyone's involvement in our various activities.

Won't you come and join us? Please complete the attached Membership Application and forward it to our Membership Secretary and if you pay Income Tax, completing the Gift Aid Declaration will enable us to enhance your subscription by reclaiming from the Inland Revenue tax paid on your subscription.

All subscriptions are due from the 1st April each year.
